

How to Clear the Registry in Windows XP

- 1) Click on the Start Menu
- 2) Open the My Computer folder
- 3) To verify that all hidden folders are showing:
 - a) Click on Tools menu at the top of the window
 - b) Click "Folder Options"
 - c) Click on the "View tab"
 - d) Under advanced settings click on "Show hidden Files and Folders"
 - e) Then near the top of the current window click "Apply to all Folders"
 - d) then click "OK" and close this window.

- 7) Next open the "C" drive
- 8) Open the "Documents and Settings" folder
- 9) (Note: under this folder there will be several options "Administrator," "All Users," "Default User," and the current user name) Open the folder that has your user name.

- 10) Open the "Application Data" folder
- 11) In this folder delete all PianoMarvel folders
- 12) Close the window and re-install the Piano Marvel software.
- 13) if you need to download the software again go to <https://www.pianomarvel.com/download>
